

## Celebrating **20** Years **Wednesday, October 5**

**Join children and adults around the world to celebrate the benefits of walking and bicycling (and anything else that doesn't have a motor).**

Walk to School Day is an annual event that promotes walking and bicycling for several reasons:

- 👥 Physical activity
- 👥 Teaching safe pedestrian and bicycling skills to children
- 👥 Awareness of how walkable & bikeable a community is and where improvements can be made
- 👥 Concern for the environment
- 👥 Reducing traffic congestion, pollution and speed near schools
- 👥 Sharing time with community leaders, parents and children

**Schools in East Honolulu are invited and encouraged to hold Walk to School Day events. The classes with the highest participation will be eligible for prizes such as a \$100 for class supplies.**

### How to participate:

- Plan an event. Ideas are available at [www.walkbiketoschool.org](http://www.walkbiketoschool.org)
- Promote the event to teachers, families and community members
- Poll students day of walk to see how many walked or biked and complete tally sheet
- Turn in tally sheets to Cycle On Hawaii
- Winners will be notified by October 7, 2016
- Have fun!

*Candidates for political office are encouraged to put down their signs for the day and walk to school.*

Mahalo to CompuTant, Jamba Juice and the City and County of Honolulu Bicycle Program for their support!
